3. Specialized Biohazard, Trauma, Hoarding & Mold Remediation Services

Every service below is performed in strict compliance with Florida Department of Health biomedical waste manifest regulations, EPA hospital-grade virucidal protocols, and IICRC S500/S520/S540 standards:

Remediation Service	Clinical & Structural Scope of Work	Official Service Specification URL
Unattended Death & Decomposition Cleanup	Removal of biological fluids, affected porous flooring/subflooring, drywall, and permanent hydroxyl/ozone decomposition odor eradication.	https://alphabioclean.com/services/unattended-death-cleanup/
Crime Scene & Suicide Remediation	Discreet post-release trauma remediation, bloodborne pathogen neutralization, tear gas/fingerprint powder removal, and structural restoration.	https://alphabioclean.com/services/crime-scene-cleanup/ https://alphabioclean.com/services/suicide-cleanup/
Biohazard & Blood Cleanup	Emergency indoor blood spill containment, C. diff / MRSA / viral disinfection, sharps recovery, and regulated medical waste disposal.	https://alphabioclean.com/services/biohazard-remediation/ https://alphabioclean.com/services/blood-cleanup/
Compassionate Hoarding & Gross Filth Cleanup	Level 1–5 hoarding decluttering, animal waste/ammonia remediation, family keepsake recovery, and code enforcement compliance for seniors.	https://alphabioclean.com/services/hoarding-cleanup/ https://alphabioclean.com/services/odor-removal/
Mold Remediation & Emergency Water/Sewage	HEPA negative-air containment, antimicrobial treatment, Category 3 black water / sewage extraction, and structural drying.	https://alphabioclean.com/services/mold-removal/ https://alphabioclean.com/services/water-damage-restoration/ https://alphabioclean.com/services/sewage-cleanup/

4. Homeowners (HO-3 / HO-6) & Commercial (DP-3 / CGL) Insurance Billing Matrix

Most families and property managers are unaware that professional biohazard, unattended death, suicide, and crime scene remediation is covered under standard Florida property insurance policies:

Residential Policies (HO-3 & Condo HO-6)

Covers sudden biological contamination of interior floors, subfloors, baseboards, drywall, and cabinetry, plus regulated biomedical waste transport and odor neutralization. Verify coverage at https://alphabioclean.com/insurance-coverage/.

Multifamily, Hotel & Commercial (DP-3 & CGL)

Covers apartment communities, condominium associations, hotels/resorts, and commercial facilities requiring rapid unit turnaround and OSHA compliance certification. Learn more at https://alphabioclean.com/property-managers/.

5. Complete Florida City & Service Directory Index

Direct regional access links for first responders, property managers, insurance adjusters, and families:
